

This website aims to be the information hub for Oriyas within UAE to stay in touch with other. And this site also aims to provide the latest links and information to various websites with Oriya news, music and other interesting contents.

This website also aims to provide information to people back in Orissa who want to come to UAE and want some first hand information.

THE WEB SITE CONTENTS

As we wanted to start off with a web site first, we put whatever we thought may be of interest to this community. However we would want your valuable suggestion so that we can keep the contents that is of of interest to the visitors of this website.
